General:

All Students except for Gore students will be required to meet in Invercargill (destination to be confirmed once all student documentation is collected) prior to our departure to Christchurch. We will leave from this destination and will return to same meeting point on the Tuesday. Students who require to be picked up will contact their respective parents/caregiver when we are traveling through Gore.

If any student has a need to have some special arrangements, please indicate below and we will try to accommodate them where possible.

Important:

All students and Parents/Caregivers will be required to sign the permission slip and hand this into their respective Careers Advisor by 3rd July 2020.

This permission slip states that all students attending the trip will abide by normal school trip rules and requirements for the duration of the trip. Should any student choose to break the rules then their Parents/Caregiver and schools will be contacted and if required will be sent home by the earliest possible public transport at the cost of the Parents/Caregiver.

Remember this trip is organized for you. It is an opportunity for you to seek information that will enable you to plan your tertiary study for 2021.

Please note that there is a cancellation fee of \$60 if the registration form has been sent into Southern Directionz and then you decide to pull out of the trip.
